The Homeless Action in Barnet (HAB) Centre and the Together in Barnet (TiB) winter night shelter provide critical support to many of our borough's homeless people. We do not pretend that the sleep-out will match the sense of danger, hunger and despair which rough sleepers face every day – but it is a powerful way to raise money for the charities and to raise awareness of homelessness in all its forms.

How you can help

The Big Barnet Sleep-out is not just about sleeping! There will be entertainment to keep our spirits high, as well as warm drinks and snacks.

We are looking for at least 50 people, from all backgrounds over the age of 18, to sleep out with us at a venue in Edgware. Every sleep-outer must pledge to raise a minimum of **£350** for their efforts and a non-refundable deposit of £25 is required to take part

Big Sleep-out 2015 – help us to beat the **£20,000** raised for HAB & TiB
