

BARNET MULTI FAITH FORUM

The Strategic Voice of the Faith Sector in Barnet

IN COVENANT WITH

www.barnetmultifaithforum.org

We are volunteers representing the diverse **faith** communities and organisations across Barnet

We come together to engage in dialogue which aims to promote social **cohesion** and oppose prejudice, injustice, and bigotry.

We uphold the right to practice our religion, faith and customs in **safe** neighbourhoods.

We advocate to ensure that values of **freedom** of expression are safeguarded.

We aim to build bridges of **trust** and confidence based on greater understanding and knowledge of each other's faiths, beliefs and customs.

We ensure that faith **communities** have a voice in relevant matters affecting issues of faith and belief in the Borough.

We celebrate cultural **diversity** and recognise the additional value this brings to the Borough.

We support **social action** projects designed to enhance the environment and living conditions of all in the Borough.

We recognise that **volunteering** is the life blood of communities upholding civic responsibility.

Making Barnet a great and safe place to work, live, study, play, and pray.

We **celebrate** that thousands of different people from diverse backgrounds willingly and freely give of their time and energy.

If you wish to **know more** of what we do or you wish to volunteer your skills, please tell us more by emailing info@barnetmultifaithforum.org
