The exhibition and talk are hosted by Soka Gakkai International (SGI) a socially engaged Buddhist movement that actively promotes peace, culture and education.

“We must firmly establish the awareness that no society can found its security and wellbeing upon the terror and misery of another; we must create a new set of global ethics. The theory of nuclear deterrence, in seeking to ensure the security of one state by threatening others with overwhelming destructive power, is diametrically opposed to the global ethics the new era demands.”

—Daisaku Ikeda
